

Proposal for FSAS 2020 AGM

With the pending first payment of our new lease subject to the final version being signed and the next payment being due in January 2021 we need to increase our income. Our boat owning members benefit mostly from the use of our compound for storing their boats and use of the Clubhouse facilities while maintaining them. It is with that it is time to raise our boat storage fees which have remained at the same rate for the past 9 years. This is currently set at £150.00 and is the same for all boat lengths.

Here are the proposed new rates for storage per year: -

Up to 4.99 Metres £175.00

5.00 Metres to 5.49 Metre £225.00

5.5 Metres to 6.0 Metres £300.00.

6.0 Metres being the maximum length of boat allowed in the compound.

Trailer Storage any length £175.00
