Chairman's report for 2019

Another year seems to have flown by again.

Firstly, I would like to thank all my fellow committee members for their help and support throughout the past year.

match attendances seem to be on the rise over the year I think due to a good presence on social media, thanks Jason. Some of the matches have been very close right to the last matches so well done to all who took part in them.

It was good to see that we obtained a council grant towards the new windows and thanks to those involved in getting that.

With the maritime coming up soon like every year all help and any raffle prizes will be much appreciated as this all helps toward club funds from the raffle.

Having been chairman for the last 6 years this time I have decided not to stand again. once again, I would like to thank all the club members and committee members for their help and support over the past years.

If the new committee wishes I would be more than happy to be on the other side and will help the club in any way I can.

I have said thanks a few times already but with all the help I have had it certainly made the job easier.

I look forward to next season on the boats and beaches so good fishing to you all.

Andy.

Secretary's Report 2018/2019

This year we have managed to get all the Clubhouse windows replaced with the help of a £1500.00 grant from Felixstowe Council. I am planning to apply for another later this year to get the doors and also the soffits and bargeboards replaced. This will then ensure that the external structure is secure.

I have been working on our Clubhouse CCTV System this year. We have had a couple of component failures which I have rectified. I have also been working on providing remote access to the CCTV. After several attempts to improve the signal I've finally cracked it and we now have a reliable remote connection. The cameras can now be monitored at any time and the system will inform me by email of any errors such as camera or video storage failures.

I still need to do some further work on the FSAS website to get the members only content up and running which will include minutes, photos and Club documents. As I know that not everyone is on Facebook at that is the place that Jason publishes match results, I am looking at a way of importing information from the Club's Facebook site into the members only area. In preparation for this I have added extra security when you go to our website now you will see the padlock icon in the address bar. I will contact you all when completed to see if you wish to have access and the method you will need to use to login.

Finally, I would like to thank the committee for all the support they have given over the past year and I am willing to stand again for re-election as Secretary if the membership is happy for me to do so. I wish everyone a good 2019 – 2020 fishing season!

Regards

Phil Riches

TREASURERS REPORT

2018 / 2019

The end of another year and the accounts are now ready as you will see we have made a small loss of £698.79 I know we have had an expensive year with the new windows also the reduction of membership fees.

With regards to the Subscription for this year It would be much appreciated if you could let me have your Subs at the AGM or by post if you are unable to attend, also you can now pay by the internet Our Bank sort code 40-21-06 account no: 41519050. thank you in anticipation

Fund raising I come on to one of my favourites the Numbers Club I know you must get fed up with this but sorry we need it to increase our income look it only cost £11 per year and you have the chance to win £30 each month this could increase the more people we get in the club so come on **please** lets have more of you look these were last years winners, Mrs, L Stokell, Andy Smith, Colin. Burrows, Brian Hazell, Shane Baxter, Mrs C. Burrows, Mrs J. Chaplin, Mrs R,. Powter, Keith. Mulley, Mrs J. Hazell, Gordon. Powter, and Colin Burrows.. Look we only have 34 members in I want another 20 + members in this year so please if you are not already in how about getting that loose change out now the numbers are on the table.

Now the Maritime as you are aware this is the clubs main fund raising draw event of the year so we need **your help please** if you could give something for a prize, you could bring it to the AGM anything like Bottle of Wine, Spirits, Box of Chocolates, Biscuits, anything would help thanks, Maritime is on Sunday 3rd November.

We must look out for more Members we ended this year with **69** members which is good but we now want a few more both Beach and Boat members we have room for about 5 more boats how about it, come on the fish are waiting to for you, as Jason and Robin said we have room for you.

Finally, I would like to thank the committee for all their support they have given over the past year and shall be pleased to stand for a further year as your treasurer if you so wish

Regards

Gordon

Competition / Match Secretary's Report 2018 – 2019

Here we are again taken time to look back on the past season,

Few more people have started fishing some matches which is great, 23 fished at Sizewell in January!, the chance to win a few pounds which the club puts up for the top 3 Anglers in each section has seen some very competitive matches, which is great to see.

The Facebook page has been a great way to update our members about changes etc, if you are not already a member have a look.

We have seen some close leagues results this year, most of the cups could have gone anyway, that must mean the format is correct, you can still win a cup at the last match, even if you have not won a match, but you have had a steady run in the other matches, .

Take time to see where you have come in the cups (Spread sheets attached) and reflect on the if's and if only's.

Boxing Day match was again fished in the viewing area as it was low tide, won by Andy Smith, but hope next season it fishes better, always hard to find fish on Boxing day.

Christmas Match was Won by Bob Foster, Bob has supported a lot of matches this year and it was great to see him try to pick up the large hamper, I hear the content soon went.

Easter match, was fished on a warm sunny day and the match was won in the last hour by Graham Messenger, finding a nice 53cm ray and good dogfish to take the win from Young Junior Angler, Oakley who did really well to find some small bass for some good points, well done to all who fished and as always all winning a prize.

Top catch was 1107pts which converted comes to 23lb 1oz in the Turner Shield our 1st match of the season, where I had 7 rays and 3 Whiting, was a red letter match but I really thought it would be beaten later in the year.

Other cups and matches also had some good results;

President's cup -1st Leg was won by Roger Mortimore by just 5oz, so the 2nd leg was open for an upset, but Roger used his years (and years) of experiences to take the 2nd leg as well by a 5oz again, this time with 29 fish for 12lb 10, well done Roger, hope you can make the presentation night and it will be great to see you once again lift a club cup.

Tuesday night matches were well attended and had some good catches for 1 rod and 4 hours, Melton match was tight to fit in but fishing back to back of the same peg worked and gave to some great banta!

Away cup -Again a tight set of matches where I needed the win to keep the cup and after a request to fish Orford again the last match was on the island, in the last hour I found a 97cm Hound to take the win away from Adam Kingdon who has been on form of late

Tuesday night Borley cup is 5 matches from March to July, again well attended, just made the wrong choice on the July match but the others were good results.

.

Other Good catches over the season: Tuesday night in October 705pts, Good whiting/dogfish/eel match at the dip in November1st had 21 fish for 458 2nd 24 fish for 428, Tuesday night match in March had the joint biggest Ray at 56cm winner had 335pts, Away cup at East lane, all fish came in the last hour, winner had 440pts,inc 2 rays, Spring cup at Clacton Richard Burrow had 458pts Great night for him Orford in July 705pts

Heaviest fish was a 97cm Smooth-Hound caught on Orford by Myself, you should ask Andy about the fun! We had getting it in by hand as it smashed the drag on the reel!

The noteworthy fish cup was awarded to Bruce Lawrence's 41cm Mullet caught at Melton on the Tuesday night match, Great fish.

Next season fixtures are done, but think we could change if the fishing is good at other beaches, feed back on this season would be welcome, like should we go back to **Iken, Bawdsey river, Orford again etc**

Cod Rover is still hanging in hopping for a cod to return, if not the match becomes a biggest 2 fish match which is also good fun, you can win 1^{st} and 2^{nd} as well as both biggest fish!

I am always keen to increase numbers at matches, use the AGM for open discussion or even email me at Jason.banham@isgplc.com any ideas are most welcome.

We have tried one suggestion, where in the league's ie **Spring cup / Away cup /Rose Bowl** etc we hold £1 per person back and pay out 1st and 2nd overall at the Presentation night, this worked well and plan to keep doing it, and the Club puts up a small bit of cash for the top 3 in beach cup, so well worth coming to the presentation night to pick it up.

Well done to all the Match winners, some new names, some 1st ever wins as well, and well done for just turning up.

Congratulations to the Trophy winners (And the runners up)

On a personal note,

Again Thank you to all that have supported the club and myself over the past season, I love this Club and do everything I can to see it carry on, but without your support it would not be possible, so a BIG THANK YOU, I appreciate every one of you that come and fish our matches, so keep on doing it.

Tight lines and hope to see you all next season. Jason Banham
