Dear Member

ANNUAL GENERAL MEETING, 2 p.m SUNDAY 6th SEPTEMBER 2020

FELIXSTOWE SEA ANGLING SOCIETY COMPOUND, FELIXSTOWE

Because of the restrictions imposed by Covid-19 this year's AGM will be held outside in the Clubs compound. For those of you who do not wish to attend you can vote for the proposition attached to this invite by emailing it or posting to me using the above contact details.

You are invited to attend the above meeting, please arrive by 1.45pm ready for a 2.00pm prompt start. I attach copies of the Agenda, reports, etc.

The AGM is your opportunity to shape the way the Society is run, to elect the Officers and Committee or stand for any of the posts yourself. It is your opportunity to discuss with the other members any changes that you wish to see in the future.

In order to help the meeting, run smoothly, it would assist if any nominations for the Committee or any proposals for discussion are notified to me at least 2 days before the date of the AGM. This can be done by e-mailing or phoning me on the above. A revised Agenda can then be produced. This does not prevent you raising any matter or standing for election on the day.

The close of the AGM will be immediately followed by the first meeting of the newly elected Committee.

I look forward to seeing some of you there.

Phil Riches Secretary

Proposals for the 2019 AGM

To introduce a 6 monthly boat storage.

Boat could be in compound for a winter or summer period.

How it works

Person will pay club membership at current yearly amount.

Winter or summer periods in compound of £100

Winter = Oct to March

Summer = April to Sept (start of skate, bass and hound season)

Some anglers do not fish all months

Will only be offered if storage space is available and is not required by a full-time member. Space may not available the same time following year.

All club rules will apply to boat and member, Introduce for a trial period.

Proposed by Mick Hudson, Seconded by Brian Hazell

Unanimously Carried

.....

Club Rules Revision

I propose that the FSAS Club Rules should be reviewed, and updated to a standard which reflects the current/future use and management of the club. This to become a committee agenda item commencing the 2019/2020 season until fully agreed and understood by the majority of the committee. At which point they should then be distributed to the membership.

Proposed by Phil Riches, Seconded by Gordon Powter

Unanimously Carried

Donation Levels for Use of Clubhouse

Donation levels for other Clubs using our Club House should be £20.00 per day or £10.00 per half day but can be waived by the committee under certain circumstances.

Proposed by Brian Hazell, Seconded by Robin Smith

Unanimously Carried

11) New Members: - R. Bennett and K. Bennett (Junior).

12) A.O.B: - J. Banham said that there had been some discussion about when fishing at Melton from the top of the wall that there is a 6ft drop to return fish to the water. He also mentioned about the species cup where it would be impractical to bring the fish to a weigh in that fish could be measured against a chart and then photographed as evidence.

Meeting Closed at 8:50 pm

Chairman's report for 2019 2020

It's a bit strange being back in the chair after almost 30 years. I must admit it's been great to be back in my home town and back in the society I joined as a 12-year-old back in 1966.

I've enjoyed catching up with some of the members I've known for years, plus making friends with members I'd never met before.

Our current season, 2019/2020, what can I say, we've never seen anything like this, the season disrupted half-way through but, we have managed, with strict social distancing, to run the last few beach matches. Huge thanks to Jason Banham for his work on these to ensure safety and keep some of our members active during this difficult time.

Hut and compound, many of you may not know that the cost of our lease has risen by £900, that's a huge amount to cover, bearing in mind we may not be able to run the Maritime and the annual prize presentation, both of which are major fund raisers for the societies funds.

The bottom line is, we will all need to pay a bit more for membership and boat storage to keep the society afloat, if we don't, we WILL LOSE the club hut and compound. That would be the first time in 111 years that the Felixstowe Sea Angling Society did not have a headquarters - let's all avoid that at all costs. I'm now a pensioner but would happily pay double to ensure the survival of the society.

Roger Mortimore

Secretary's Report 2019/2020

Just before we were locked down in March this year, we managed to get the Clubhouse doors, soffits, down pipes, guttering, and bargeboards replaced. This was with the financial help of a £1750.00 grant from Felixstowe Town Council and the installation of soffits, bargeboards etc by two of our club members Shane Baxter and Robin Smith. A big thank you to them. The front door and fire door were installed by Kirton Windows.

I am currently in contact with East Suffolk Council regarding the renewal of our 10-year lease for the club compound which expired in December last year. We have yet to sign it as I had several questions to be answered with wording in certain areas of the new lease. We did not receive it until the beginning of June which was mainly due to Council staff not being available because of Covid-19. One thing that they will not budge on is the price increase of the new lease which has gone up by a massive 27% compared to last year. When we do get to pay it will cost us £3,320. We can cover the rent this year but next year our average club income will not be sufficient to meet all outgoings. We need to raise our boat storage fees which have remained the same for the past 9 years. Can I draw your attention to the attached proposal which has already been discussed at committee level and must be voted on by the club members. Even with the proposed price increase we are still cheaper than anywhere else considering the facilities that our Clubhouse has to offer i.e. power, water, toilet, and kitchen.

Finally, I would like to thank the committee for all the support they have given over the past year and I am willing to stand again for re-election as Secretary if the membership is happy for me to do so. I wish everyone a good 2020 – 2021 fishing season and hopefully at some point Covid-19 restriction free!

Regards

Phil Riches

TREASURERS REPORT

2019 / 2020

The end of another year and the accounts are now ready as you will see we have made a gain this year of £1,844.08 compared with last year's loss of £698.79 also we have had an expensive year with the new doors also with the reduction of the membership fees. But this year we had to renew our Lease with the Council on the 1st of January and this has just been completed due to Coronavirus and people working from home so we have not paid this yet we know that it is £3,320 so next year we will have a Bad year, With no Maritime no Presentation night we are going to be a LOT of income down

For the Club to be financially sound we urgently need to bank more funds! Any ideas for fundraising etc. please let the Committee know any thoughts you may have.

Owing to this Covid-19 problem we have now it would be much appreciated if you all could let me have your Subscription by post if you are unable to pay by the internet our Bank sort code 40-21-06 account No 41519050 thank you in anticipation.

My favourite item is the Numbers Club the last 5 months we were drawing the numbers over Zoom meetings they were: - Mrs. J Messenger, Mrs. A. Strudwick, K. Messenger, C. Burrows, Mrs. A. Strudwick, P. Day, G. Messenger, Mrs. J. Messenger, G. Powter. P. Riches, Mrs. L. Stokell. As I have said before it only cost £11 per year and you have a chance to win £30 each month lets have some more of you to join, the numbers I have left are:-2.16.18.19.20.23.31.32.34.40.42.48.49. 50.54.56.57.

Finally, I would like to thank the Committee for all their support they have given over the past year and shall be pleased to stand for a further year as your treasurer if you so wish

Regards

Gordon

Competition / Match Secretary's Report 2019 – 2020

Here we are again taken time to look back on the past disrupted season due to the Covid pandemic,

We were the last club to stop matches and one of the first to restart under new systems.

This has meant we made the decision to not fish for the Spring cup, Borley Tuesday evening cup and the Knock out cup, any monies paid for the KO cup will be transferred to next season, unless you wish to have it back.

Looking at the matches we did fish, 23 fished at Sizewell in January which was also the 1st leg of the interclub with Suffolk sports cast, that was a good match, with some close results.

We have seen some close leagues results as well this year, most of the cups could have gone anyway at the last match, that must mean the format is correct, you can still win a cup at the last match, even if you have not won a match, but you have had a steady run in the other matches.

Take time to see were you have come in the cups (Spread sheets attached) and reflect on the if's and if only.

Turner shield was won by Bruce Lawrence, great tactical win with Whiting and dogs where some fished for Rays which did not show up, runner up was the Trophy hunter himself Sam Creasey, deprived again by his old mate.

Boxing Day match was again fished in the viewing area, won by Andy Smith again, retaining his title, getting the hot spot and converting it into a win, runner up was the Trophy hunter deprived again, couple of nice flounders also turned up at this match.

Christmas Match was Won by Our Chairman Roger Mortimore a nice Ray helped roger stagger home with the hamper, last seasons winner Bob Foster was piped at the post so could not retain the tile and had to settle for 2nd this year.

Junior Winner was young Walter Creasey, beating his dad to claim a trophy before he had, can't wait to see his face when he gets the cup.

But Sam did not have to wait long and went all out to win the **Neville Banham cup**, winning with a fantastic 24 fish for 157pts, Well done Sam great 1st Cup, and well done I know how hard you have fished to win a cup at the club, (But then again so do 1,000's on Facebook).

This is what I think this club is all about, no big cash prizes, raw competition and a desire to compete and become better Anglers.

Easter match, was not fished due to covid.

Top catch was 13lb 7 by Myself in the 1st leg of the Presidents cup, this also included the **Biggest fish** of the year a ray at 52 cm which was also weighed at 6lb 7

But there were some other matches and fish that went close,

2nd leg of the Presidents cup was won by Richard Burrow with 12lb 1, Roger Mortimore had 2 rays in daylight on Landguard one at 51cm (260pts,5lb 4) and 622 pts (12lb 10) Jason also had a ray on the Tuesday night match in September at 51cm and Bob Foster had one at 49cm.

Other matches also had some good results;

Tuesday night matches, Butts in October saw Camron Turner nick the win From Ste Adams by a few points with 551 to 541. Dip in November 616pts (12lb 8) made up of 32 sizeable whiting for myself, and the last match in January saw us side by side fishing in the viewing area, not a great match for fish but a good fun match any one could have won.

Away cup – so we could conclude this cup the 3 matches after the restrictions were eased where for this cup, Andy won at Eastlane with 2 dogfish, Dale Pegg found 2 lovely sole and a eel to take the 2nd win at the Dip the 3rd match won by Andy also doubled up as the sole match won by Jason.

The noteworthy fish cup was awarded to Roger Mortimore with a Dab of 34 cm, good Dab from the beach.

Next season

Fixtures are done, You will notice some reduced changes, this season some of the one off matches will also count as league and cup matches, i.e. the Turner Shield will also count for the Rosebowl 1st leg and we have also reduced the number of matches to 3 and not 4 for the Rose bowl, Away cup and the Spring cup. This is hoped to help with number of matches in the area, and also help in the changing world we live in.

Cups and points will be on the same lines, i.e. 12 for a win, 10 for 2nd and 8,7,6,5,4,3,2 if you catch and 1 if you blank, fish points will splint any tie's on points.

Cod Rover is still hanging in hopping for a cod to return, if not the match becomes a biggest 2 fish match which is also good fun, you can win 1st as well as both biggest fish!

I will review as the year goes on and might add a couple of fun matches in like the rockling challenge or a species hunt where everything count, but it is worth pointing out when I say reduce numbers it still leaves 25 matches to fish, would have been 32 if not.

I am always keen to increase numbers at matches, and have run the league's i.e. **Away cup / Rose Bowl** as suggested, holding back £1 per person and pay out 1st and 2nd overall, this worked well and plan to keep doing it, We hope to still arrange a presentation of some sorts, details near the time.

Well done to all the Match winners, some new names, some 1st ever wins as well, and well done for just turning up and supporting the Club.

Congratulations to the Trophy winners (And the runners up)

Tight lines and hope to see you all next season. Jason Banham
