All fish to be measured on an approved measure down to the nearest CM with the head and tail simultaneously touching the respective end and line on the measure.

Fish must be placed in a bucket of sea water and taken to the adjacent angler to be measured, witnessed and recorded on match card, then gently returned immediately in front of the witness.

Fish for the table must be despatched and retained with their tail removed. Any washed up fish must be returned immediately when found.

Only match competitors are allowed to transport fish for measuring and returning fish, no 3rd party can be used.

Fish length, points and running total must be recorded and signed by the adjacent angler, before next cast is retrieve

Match cards must be signed off, number of fish, total points and heaviest fish points recorded and witnessed by adjacent angler.

All anglers are stewards. It is in everyone's interest to see correct procedures are adhered to.

Damaged and unreadable cards may be disqualified.

Failure to comply with any of the above or any match rules may lead to disqualification.

The published match rules for this competition apply in relation to all other rules.
